REFLECTING ON 2025

Reflecting on 2025 I am deeply grateful for the goodness and faithfulness of God. For the amazing way He once again provided in all the needs of the Clinic. All operation costs were covered and some exciting special projects were also completed.

SPECIAL WORD OF THANKS

The directors, staff, and patients of the ASM Clinic extend heartfelt thanks to every corporate donor, trust fund, church, business, and individual who partnered with us in 2025. Your generosity made compassionate health care possible for thousands of people!

Thank you to the wonderful, loving and compassionate staff and volunteers that make it all happen. The long hours of hard work, passion and commitment is greatly appreciated!

- 1 344 people tested for HIV
- 102 referred for essential ARV therapy
- 5 893 people screened for TB
- 498 people tested for TB
- 54 referred for life-saving TB treatment

Truly the gracious hand of God has been on us all through the years!

Over the past ten years, the ASM Clinic has conducted 59 669 consultations, reaching people in need who may never otherwise have received essential health care.

ASM CLINIC VISION

The mandate of the ASM Clinic is to provide compassionate, quality, primary health care to people who usually struggle to access public health services. The dedicated team of volunteers and staff are motivated by Jesus' words in Matthew 25:40

“And the King will say, I tell you the truth, when you did it (gave help) to the least of these my brothers and sisters, you were doing it to me!”
